Dear Friends,

Thank you for your support this month of our exciting ministry of evangelism and discipleship in the camp setting. You are an important member of the team that God is using to impact lives for eternity at Camp Conquest. Thank you!

The Zip Line is in. And yes, both Ken and Doug went on the 600' ride from tree to tree including the 30' self-belay dismount. On the other end of the age continuum my son Luke also thoroughly enjoyed the ride.

Why do we spend money on Zip Lines, Giant Swings, Horses, Pools, and other high dollar, high risk elements? Because kids love them, they are fun, and most importantly they give us an opportunity to share the gospel with campers of all ages in new and unique ways. Imagine a conversation about faith just after Johnny gets off the Zip Line? How about a short conversation about James 3 after spending an hour at the Horses barn?

Biblical Truth is practical and applicable to our everyday life. Camp is the place where we can teach those truths in ways that have an impact. Continue to pray that our volunteer staff will be ready to shower our campers with God's love and His truth.

Thank you for making it possible,

Michael R. Gehlert
