June 2008

Dear Friends,

Proverbs tells us that "the mind of a man plans his way, but the Lord directs his steps". As we yield to the leading of the Holy Spirit our steps will be directed in ways that bring honor and glory to God.

The Board at Camp Conquest believes that God is once again directing our steps. As you are aware additional bathroom and meeting room space have been a major need for a long time. Another major need was adequate staff housing. In September of 2006, we began Sprecher Lodge to address the first two needs. Then in November 2006 we received a great offer to purchase the adjacent two acres with a beautiful home. Combined these two projects cost over \$625,000.

Within approximately 18 months the Lord provided over 90% of the needed finances leaving us with less than \$60,000 in debt secured generously by two interest free loans. Now God is moving again. We just received a pledge of \$30,000 as a challenge to be matched dollar for dollar to pay off all the debt related to the above projects. Within two weeks, the Lord graciously moved by having another donor match those funds.

Once the pledged funds are received Camp Conquest will once again be debt free!

Please take a moment and praise the Lord with us. These two gifts will allow Camp Conquest to begin planning the next step of development in this exciting ministry of Evangelism and Discipleship in the Camp Setting.

Facilities provide the infrastructure for ministry. Upgrades in cabins, bathrooms, meeting spaces and recreational options attract groups and campers to our facility. Once here, in a distraction free environment, each camper has the opportunity to develop in their relationship with Jesus Christ.

We thank God for each donor and volunteer who help to make Camp Conquest a place where campers and guests can hear the still small voice of God and respond to His call on their lives.

Thank you for your support this month,
