August 2008

Dear Camp Friends,

Summer Camp is going strong until August 20th this year. Praise the Lord with us for a full calendar and a tremendous season of ministry.

This summer we had many campers make decisions to accept Jesus as their Savior, and many more campers make eternally significant decisions about serving Christ. An additional blessing is the impact a week of summer camp can have in the lives of our volunteers. This note is from a Pioneer Camp counselor:

Wow! What a great week! Thank you guys for giving me the opportunity to serve my Lord through camp and showing me that through Christ all things are possible (Phil. 4:13). Words can't describe how amazing my week was and couldn't even begin to tell you all that happened at camp and within me as an individual.

And the ministry does not stop with the end of summer. Because of his experience as an Adventure Camp CIT one young man is actively involved in a children's ministry at his local church, he writes:

I just love camp so much I want to make sure that I am there next year. Plus camp has lead me to great things like *Club 56* which I will be helping out with this year and I am really excited to be doing that. Thanks again.

And I want to say 'Thanks again' as well. It is because of your gifts to Camp Conquest that we can impact lives for eternity, not just campers and not just at camp. The impact of the camp experience carries on into the lives of the staff and back to the local church.

Thank you for your ministry with us at camp.

Serving with you,

Michael R. Gehlert
Executive Director
