January 2008

Dear Friends,

It has begun. A new year is underway. At this time we can look forward to what God has in store for us. With great anticipation we eagerly venture into the challenges, trials, joys and difficulties that are set before us.

We can proceed with contentment because we know that no matter what confronts us in this coming year, the Lord is sovereign and He will work all things out for His glory.

With that truth in our hearts we plan, we set goals and we cast vision. At Camp Conquest we have been working through Ephesians 4:12. This passage has set for us a guiding principle and a strategic plan. *“For the equipping of the saints for the work of service, to the building up of the body of Christ.”* This year our focus is on the center portion of that verse... “for the work of service.” **‘Serving Others’** will be the theme for Summer Camp 2008.

Our directors for each week are already planning ways to encourage campers to serve others. Our staff is recruiting volunteers who wish to be used of God this year to serve others in this ministry of evangelism and discipleship in the camp setting.

You are already participating in this call to service. Your gift this month helps to equip us to impact lives for eternity. You are now part of the team in 2008, and I want to thank you for your support and your prayers.

Thank you for your act of service and your gift to the ministry at Camp Conquest.

Serving with you,

Michael R. Gehlert  
Executive Director
