

Detour to Camp due to bridge out...just south of Peartown Road on 897

These directions are for anyone coming to camp from the Turnpike, or leaving camp and going back to the Turnpike.

From Turnpike

You are getting off the Reading/Lancaster Exit # 266. First pay your toll, or buy EZ Pass. Go straight .3 mile to light, keep going straight under Route 222 bridge to another light, after that light .4 mile and stay in right lane, bare to right on 272 North. Go 1.2 mile and make a left on 897 North (you will see a Verizon Store on your right and Weavers Market on your left) Go North on 897 approximately 3 miles to a four way stop sign. On your right is Angelo's Pizza. Go straight, which is still 897 North, you will pass Kountry Kitchen (hamburger/fast food joint) on your right.....now look for the yellow Weavers Markets sign on your right.....background of sign is yellow, Weavers is in red, Markets is in black, time and temp under names on right and left and price of gas underneath that.....from the sign go .2 and follow the detour.....you will be making a right off of 897 onto Texter Mountain Road, go .9 to a stop sign on Peartown Road. Make a left on Peartown Road and go .6 to a stop sign on 897. Make a right on 897 North and go 1.4 miles, next turn is a right onto Forest Road (easy way to find Forest Road, if it is daylight, look for a farm with four silos on your right, the third silo from the road is blue and says "Jesus is Coming" in white letters at the top) If it's nighttime and you can't see the silo, and you miss this turn, which is easy to do, you will come to a four way stop sign in less than a mile.....if that happens you need to turn around, now go South on 897 and look for Forest Road again, this time on your left.....Once you enter Forest Road camp is exactly 1 mile on your right, follow the signs to the camp office.....good job, you are here.....

From Camp

Left out of camp property onto Forest Road, go 1 mile to stop sign. At stop sign make a left onto 897 South, go 1.4 mile to temporary stop sign at Peartown Road, make a left and go .6 mile and make a right onto Texter Mountain Road, go .9 mile to a stop sign and go left back onto 897 South and just follow the directions listed above (in reverse obviously) back to the turnpike.....
