January 2021

Here we are, out of 2020 and into 2021. Is it out the frying pan into the fire or will it be a return to normal? We don't know, but we are proceeding with plans to continue the ministry of evangelism and discipleship in and beyond the camp setting.

Summer camp brochures are in the mail, registrations are open, staff recruitment has begun, and plans are underway for an exciting season of ministry at Camp Conquest.

During this continued time of uncertainty, many are searching for peace and security. We know that these are only found in our Lord and Savior, Jesus Christ. This summer we will direct our campers and staff to "ascend the hill of the Lord and stand in His holy place". For it is in the presence of the **Victorious One** that we find assurance, peace and salvation.

Plan to join us this summer, up on the hill in northern Lancaster County, for a week of camp. And get a head start on memorizing the theme verse: **Psalms 24:3-4 ESV** - "Who shall ascend the hill of the Lord? And who shall stand in His holy place? He who has clean hands and a pure heart, who does not lift up his soul to what is false and does not swear deceitfully."

See you soon at camp,
