After Camp

Talking With Your Camper About Their Day

There is nothing more exasperating than asking your child, "What did you do at camp?" and getting the response, "Nothing." While some children are bursting to share their experiences on the ride home, others are tired or may simply need a little more time to process. Over the week, draw your child out slowly by asking specific questions about teammates and counselors, activities they participated in, Bible stories they learned or ask your child to show you a camp skit or sing a song.

Camp Photos

We attempt to upload pictures daily. You will receive a link and password via email the week before camp. Please be patient as sometimes it takes us longer than we expect to get photos uploaded. We cannot honor picture requests. Please know that we are trying our best to get pictures up for parents.

Lost & Found

Please make sure all of your camper's items are clearly marked with his/her first and last name. We try to manage lost and found items continually throughout the camp season, but it is a challenge! If you discover your child is missing something upon your return home, please notify the camp office as soon as possible, so that we may assist you in finding your lost items. After summer camp season, we donate unclaimed items to a local charity.

Survey

We will provide a survey at the end of the week. We value your feedback in order to improve our programs for your children.

Social Media

Please know, Camp Conquest discourages camper-staff interactions on social media sites throughout our staff training. We encourage our staff to stay connected to campers after camp through letter writing with parent permission. Please encourage your camper to write letters rather than reaching out on social media.

Bus Guidelines

Transportation Changes

1. If a change needs to occur to the pick-up or drop-off times or location, Camp Conquest will reach out to the primary contact listed for each camper. This communication will be an email followed up with a phone call to the contact listed on the camper registration.
2. If a parent or guardian needs to make an adjustment, please contact the camp office by email at registrar@campconquest.org AND by phone at 717.336.2541.

Safety Guidelines

In addition to the driver, we will have a bus counselor to supervise the children and provide a camp experience for them while coming to and from camp.

For everyone's safety, we have the following rules for the bus. Please discuss these with your child.

1. Parents are responsible for getting your child on and off the bus. You must sign your child in and out with the bus counselor each day.
2. Campers need to listen and obey the bus counselor and driver.
3. Campers need to be seated and have their seat belt fastened at all times.
4. Once seated do not change seats.
5. Tell your counselor if you have any problems on the bus.
6. Do not leave your seat to get off the bus until the bus has come to a complete stop.

If you are not at the stop and we believe you should be, we will call you. The call will most likely come from one of our counselor's cell phones and will not be a number you recognize. But the bus will leave on time.

Transportation Adjustments

If a change needs to occur regarding pick-up or drop off (whether riding the bus or dropping off at camp), please contact the camp office by email: registrar@campconquest.org AND by phone at 717-336-2541

Welcome to Camp

Why Day Camp?

At Camp Conquest, we believe that skinned knees are essential for growing up, right along with dirt under the fingernails and pockets full of frogs, rocks and marbles.

Summer is a time to explore the wonderful outdoors with the company of friends seeking an adventure. Summer is a time to expand your world through exploration and free play. Summer is a time for swimming and eating ice cream.

That is what you find at Camp Conquest - good, clean, outdoor fun. We recruit adult volunteers who provide safety and structure. We recruit and train mature teens and college students who provide fun and energy. We teach good character and traditional moral values using stories from the Bible.

It's time to unplug and go outside. It's time to learn archery and horseback riding. It's time to jump in the pool and zoom down the waterslide. It's time to sign up for Day Camp at Camp Conquest.

Before Camp

What are some items my camper will need?

Each Camper must wear **closed-toe shoes with straps** around the heel, or sneakers. Such footwear is required for most activities. Sneakers are highly recommended footwear for all camp activities. Crocs/Croc like shoes are not adequate foot wear for all the activities we do at camp.

We recommend clothing that can get dirty, since we spend most of our time outdoors.

Other items that campers should bring are:

Modest swimsuit

Beach Towel

Sunblock

Water bottle

Some items that maybe useful for your camper are:

Goggles

Bug Spray

Sweatshirt or Raincoat

Backpack

Plastic Bag for wet swimsuit & towel

Hat

Please Label your Camper's belongings with his/her first and last name.

Camper Policies can be found on our [website](#).

ITEMS THAT MUST STAY AT HOME:

Electronics

Toys

Cell Phones

Wheeled Shoes

Money

Flip Flops/Sandals

If these items are brought to camp, they will be held by the Day Camp Coordinator and returned to the parent/guardian at the end of the day.

Transportation Options

Options to get your camper to camp

1. Bus Transportation at one of our stops

When you register, please sign up for bus transportation ahead of time. Please call the office if something changes. Please see the website for our bus schedule with stops & pick up/drop off times.

2. Arriving by car

If you are planning on arriving by car, please read below for more information.

Meeting the bus at a church—Check In & Drop Off/Pick Up

We have partnered with local churches to create the ultimate camp experience for kids & busy parents. Drop your child off at any of the local churches on our route, and we'll handle transportation to camp and back each day. Please park in the church's parking lot near check in area. Each location will have a specific time the bus is to depart. Please arrive 15 minutes before departure time. On the first day, please arrive 30 minutes before departure for first day check in.

Each day, you will sign your child in and out with one of the counselors from the church. At the end of the day, please make sure to arrive before the bus and sign your camper out before you leave. Any changes regarding bus transportation must be communicated to the camp office AND the bus counselor.

Options to get your camper to camp

Day Camper check in is near the office. You may arrive as early as 8:45am. On the first day, please arrive between 8:40am and 8:50am for first day check in. Each day, counselors will meet you at check in. At the end of the day, there will be a pick up line at the office. Counselors will bring the campers to meet you at 4:00pm. Your child must be checked in and out each day.

Camp Store

Store Cards

In the afternoon, we give campers an opportunity to visit our camp store to buy yummy snacks and cool merchandise. Most food/drink items cost anywhere from .25 - \$1.50. Campers are allowed to choose 2 food/drink items per day. We recommend \$15 for your camper for the week. If your camper would like a hat or t-shirt those run from \$10-15. Money should be added to the camper's account **before** camp. You choose an amount to add to your camper's store card when you register him/her. If you'd like to add additional money after registering, please call our camp registrar.

Money

Campers are not allowed to have money on them or in their backpack. They cannot use it at the store since we keep track of money on store cards. Please do not send money with them. Please contact the camp office to add money to their account.

Refund or Donate

If your camper has any left over money at the end of the week, your money will either be returned to you or donated - depending on your answer within the online forms regarding store money. All donated store money goes toward our campership fund to help financially needy children attend a week of summer camp.

Programs & Supervision

Day Camp Programs

At Camp Conquest, we offer programs within three age ranges. A camper of any age can sign up for Day Camp.

- Pioneer Day Camp is for ages 7-9
- Adventure Day Camp is for ages 10-12.
- Quest Day Camp is for ages 13-15.

We offer a variety of outdoor activities which the average healthy camper can enjoy. All of our activities are supervised by trained staff. Areas of increased risk, such as horses, target sports (including rifles), and giant swing, all have additional safety measures and equipment in place and are run by certified staff.

Supervision

Campers enjoy an intergenerational mix of staff & counselors. Volunteer adults from our partner churches provide maturity & structure while our well trained teens and college students add energy & enthusiasm. Two counselors are with every group & the overall ratio is around 3 campers for 1 staff member. A Nurse is also onsite to help with any medication or first aid issues.

Medications

Campers may not keep medication with them. All medications must be turned over to the camp nurse upon arrival (or to the bus counselor, if riding the bus). This is for the safety of everyone at camp. If your camper has medication such as an epi-pen or inhaler, one of the counselors in their group will carry it with them.

A Day at Camp

Start of the Day

Campers are greeted at Camp Conquest every morning and begin their day with songs and time with new friends. Campers are assigned to groups of 8-12 campers of the same age group with 2 counselors.

Swimming, group games and much more will be enjoyed daily. Creative, hands on Bible lessons and fun camp songs teach valuable truths. Other activities may include: archery, sling shot, horse back riding, nature exploration, games and other special activities.
