

## Clearances Outline 2025

Camp Conquest is required by law and by accreditation standards to obtain various clearances for all individuals who work with children. The following outline will help you walk through the process.

If you are volunteering AND under 18 years of age during camp, you are **not** required to have clearances BUT will need an affirmation statement signed by yourself AND a parent/guardian. See #6 below.

Different clearances are valid for different amounts of time. If you have obtained your clearances and they are current, please email originals to Robin directly if we do not already have them. They must be legible. If you have not obtained your clearance or the clearance is out of date, please obtain a current clearance. **Summer employees cannot submit "volunteer" clearances.**
